

Welcome TO **STK**

St Thomas' Church, Kendal

ST THOMAS' KENDAL

Welcome to St Thomas' Church Kendal. It's great that you are here as we gather for worship today – we love coming together as a family and pray that everyone will receive the Father's love, encounter Jesus and know the Spirit's power! If you are new please make yourself known to someone wearing a lanyard who will be delighted to help you feel at home.

Coffee Volunteers 9am & 10.45 am

We are so grateful to the teams who provide us with a cup of tea or coffee following our services. **However, we do need extra support** as our teams are **very** low on numbers. On some weeks offering coffee after our services may not be sustainable going forward. **Please let the office know if you would be willing to serve the church family by volunteering in this way.**

Church Bookstall

There will be a bookstall of recommended "Life formed by Jesus" titles (inc The Air we Breathe) in the narthex today, also Advent & Christmas books & cards.

Church prayer Meeting

7.30pm 5th November 2024

Our "power hour" prayer meeting for all church family.
In church.

Are you new to St Thomas?

We would love to get to know you, please pick up a 'Welcome to you' card from the reception desk to stay in contact with us. We regularly hold a welcome evening for folk joining us, to share more of the ministry of St Thomas and a time to get to know you. These little cards help us to make that link with you. Its great to see you.

Warm Space

Thursdays 1.30-3.30pm

We would love someone to join us who is happy to work in the kitchen serving tea and cake. If that's you please contact Mike Crees. You don't have to come each week but if you are willing to give us some time it would be a great encouragement. Thank you.

It will soon be here!

Save the date! - The weekend of the 6th-8th December we will be decorating the church in preparation for our Christmas Celebrations. Please put the weekend in your diary and we can make it a family affair!

More details to follow

Church Heating Project

St Thomas' Heating and Net Zero Project- We're nearly there!

Our contactors, Mittons, have purchased and received our heating equipment, and will start the installation on the first Monday of half term, October 28th, and is expected to take around three weeks.

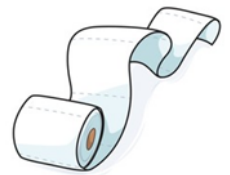

Mittons will work with us to minimise disruption and enable normal activities in the modern part of our building where they will be working to carry on with the least possible impact or inconvenience from their work.

We have one more grant application still to be decided, which we will hear about during the week before installation.

Praise God for all that He has done to get us to this stage! Please keep praying for our contractors, for the last phase of grant funding to be received, and for this last implementation phase “being confident of this, that He who began a good work in you will carry it on to completion” (Phil 1:6. NIV)

Toilets at STK

Our toilets are getting blocked more often than they should and have had to be rodded twice since July. Please make a note that only toilet paper should be put down the toilets and everything else needs to go in the bins provided. Thank you.

CDs

We do produce weekly audio CDs of our 9am service. If you know of anyone who you think would benefit from listening to our 9am service at home for whatever reason, be it illness or housebound or in need of spiritual refreshment. Please do let either Jean Thorp or the office know. CDs are distributed along with a service sheet and notice sheet and will be sent via post.

Advent Fair (30 November 10-3)

Barbara will be at the door **next Sunday** looking for volunteers. Can you make us some soup? Or bring us some buns, mince pies or cookies? Or perhaps help out on the day. A great way to serve our community and get to know people.
